

# MALLORY J. FELDMAN

Email: [Feldman.380@osu.edu](mailto:Feldman.380@osu.edu)  
 Website: [www.MalloryJFeldman.com](http://www.MalloryJFeldman.com)  
 ORCID: 0000-0003-1051-2088

## RESEARCH AREAS

---

Social Affective Psychology and Neuroscience, Interoception, Psychophysiology, Psychoneuroimmunology, Aging and Lifespan Development, Women's Health

## EDUCATION

---

Dec 2025	<b>University of North Carolina-Chapel Hill</b> Ph.D. Psychology and Neuroscience; formal conc. in Quantitative Psychology Advisors: Kristen Lindquist, PhD ; Keely Muscatell, PhD
Dec 2021	<b>University of North Carolina-Chapel Hill</b> M.A. Psychology and Neuroscience Advisor: Kristen Lindquist, PhD
May 2016	<b>Tufts University</b> B.A. Psychology; B.A. Peace & Justice Studies; formal conc. in Psychology of Social Conflict Advisors: Sam Sommers, PhD; Dale Bryan

## ACADEMIC APPOINTMENTS

---

Starting Jan 2026	<b>The Ohio State University; Department of Psychology</b> <i>Post Doctoral Scholar</i>
-------------------	--

## HONORS & AWARDS

---

2025	Christopher R. Agnew Research Innovation Award
2024	Positive Psychology Science Fund Award (\$1,000)
2024	UNC Graduate Student Transportation Grant (~\$2,000)
2023	Chester A. Insko Best Paper Award
2023, 2024	Dashiell Graduate Student Travel Award (\$800, \$480, \$700)
2023	Teaching Commendation (Introduction to Social Psychology)
2022	2022 APA Early Graduate Student Researcher Award (EGSRA; \$1,000)
2022-2025	Ruth L. Kirschstein National Research Service Award Individual Predoctoral Fellowship (F31) from the National Institute on Aging (\$115,873)
2022	Dashiell Dissertation Startup Award (\$1,000)
2022	Department of Psychology Innovation in Equity & Inclusivity Award
2021	NSF GRFP Honorable Mention
2020	Love Consortium Graduate Research Fellowship (\$10,000)
2016	<i>Magna cum laude</i> with High Thesis Honors, Tufts University
2015	IMAGe Fellow, Tufts University/Tufts Fletcher School of Law and Diplomacy
2015, 2016	Undergraduate Research Fund Recipient, Tufts University (\$100, \$100)
2013 - 2016	Dean's List, Tufts University

## RESEARCH EXPERIENCE

---

August 2019 - Present	<b>Carolina Affective Science Lab / Social Neuroscience and Health Lab</b> - UNC-CH, Chapel Hill, NC Advisors: Kristen Lindquist, PhD; Keely Muscatell, PhD <i>Doctoral Researcher</i>
July 2017 - July 2019	<b>Interdisciplinary Affective Science Lab</b> - Northeastern University, Boston, MA Advisors: Lisa Feldman Barrett, PhD; Karen Quigley, PhD <i>Post-Baccalaureate Research Technician</i>
July 2016 - May 2017	<b>Harvard Intergroup Neuroscience Lab</b> - Harvard University, Cambridge, MA Advisor: Mina Cikara, PhD <i>Post-Baccalaureate Research Assistant</i>
Jan 2014 - April 2016	<b>Tufts University Social Cognition Lab</b> - Tufts University, Medford, MA Advisor: Keith Maddox, PhD <i>Undergraduate Research Assistant</i>
Sept 2015 - Dec 2015	<b>School for International Training</b> - Kathmandu, Nepal Advisors: Isabelle Onians, PhD; Hubert Decleer, PhD <i>Independent Study; Primary Investigator</i>
Sept 2013 - April 2014	<b>Racial Equity &amp; Diversity Lab</b> - Tufts University, Medford, MA Advisor: Sam Sommers, PhD <i>Undergraduate Research Assistant</i>

22. Shipkova, M., Bonar, A., Capella, J., **Feldman, M. J.**, Field, N. H., Prinstein, M. J., Telzer, E. H., Lindquist, K. A (2026). The roles of emotional responding and regulation in adolescent friendship stability: A multimethod fMRI study. *Journal of Research on Adolescence*. CRediT: Methodology, Data curation, Writing - review & editing.

21. Antenucci, N., **Feldman, M.J.**, Jolink, T.A., West, T.N., Cardenas, M.N., Alvarez, G.M., Muscatell, K. (2025). Inflammatory Reactivity to the Influenza Vaccine Is Associated with Decreased Trust of Racialized Out-Group Members. *Brain, Behavior, and Immunity*. CRediT: Conceptualization, Methodology, Software, Investigation, Formal Analysis, Data curation, Writing – Review & Editing.

20. Frye, N.G., Lin, y., **Feldman, M.J.**, Prinstein, M.J., Cohen, J.R., Telzer E.H., Lindquist, K.A. (in press) Emotional attention moderates the link between allostatic interoceptive network organization and depression in adolescents. *Affective Science*. CRediT: Conceptualization; Data curation; Writing - review and editing.

19. West, T. N., Jolink, T., **Feldman, M. J.**, Alvarez, G., Cardenas, M., Fredrickson, B.L., & Muscatell, K. (2025). Seeking Positive Connection: Is Inflammation Associated with Anticipated and Experienced Shared Positive Affect between Close vs Non-Close Others? *Emotion*. CRediT: Investigation, Writing – review & editing.

18. Jolink, T.A.\* **Feldman, M.J.\***, Antenucci, N.M., Cardenas, M.N., West, T.N., Nakamura, Z.M., & Muscatell, K.A. (2025). Effects of a mild inflammatory challenge on cytokines and sickness behavior: A randomized controlled trial using the influenza vaccine. *Brain, Behavior, and Immunity*. CRediT: Conceptualization, Data Curation, Formal analysis, Writing – review & editing, Visualization.

17. Vishnubhotla, K., Teodorescu, D., **Feldman, M. J.**, Lindquist, K., & Mohammad, S. M. (2024). Emotion Granularity from Text: An Aggregate-Level Indicator of Mental Health. In Y. Al-Onaizan, M. Bansal, & Y.-N. Chen (Eds.), *Proceedings of the 2024 Conference on Empirical Methods in Natural Language Processing* (pp. 19168–19185). Association for Computational Linguistics. CRediT: Conceptualization, Writing- review & editing.

16. Field, N., Balkind, E., Burnell, K., Fox, K., **Feldman, M.J.**, Nick, E., Lindquist, K.A., Telzer, E., Prinstein, M. (2025) Popularity, but not likability, as a risk factor for low empathy: A longitudinal examination between peer status and empathy. CRediT: Conceptualization, data curation, Writing-original draft, Writing – review & editing.

15. Tuck, A. B., **Feldman, M. J.**, Lindquist, K. L., & Thompson, R. J. (2025). Social contexts are associated with higher emotional awareness than non-social contexts: Evidence in a sample of people with and without major depressive disorder. *Emotion*. CRediT: Conceptualization, formal analysis, visualization, Writing-original draft.

14. **Feldman, M.J\***, Capella, J.\*, Dai, J., Bonar, A.S., Field, N., Lewis, K., Prinstein, M., Telzer, E., Lindquist, K.A (2024) Proximity within real world adolescent peer networks predicts neural similarity during affective experience. *Social Cognitive and Affective Neuroscience*. CRediT: Conceptualization, methodology, data curation, writing-original draft, visualization.

13. Alvarez, G. M., Jolink, T. A., West, T. N., Cardenas, M. N., **Feldman, M. J.**, Cohen, J. R., & Muscatell, K. A. (2024). Differential effects of social versus monetary incentives on inhibitory control under acute inflammation. *Brain, Behavior, and Immunity*. CRediT: Writing – review & editing, Investigation.

12. Jolink, T. A., West, T. N., Alvarez, G. M., Cardenas, M. N., **Feldman, M. J.**, Algoe, S. B., & Muscatell, K. A. (2024). Higher interleukin-6 is associated with greater momentary social connection in close relationships in daily life. *Psychoneuroendocrinology*, 164, 107020. CRediT: Writing – review & editing, Visualization, Investigation.

11. **Feldman, M. J.**, Bliss-Moreau, E., & Lindquist, K. A. (2024). The neurobiology of interoception and affect. *Trends Cogn Sci*, S1364-6613(24)00009-3. CRediT: Conceptualization, Visualization, Writing-original draft.

10. **Feldman, M. J.**, Jolink, T. A., Alvarez, G. M., Fendinger, N. J., Gaudier-Diaz, M. M., Lindquist, K. A., & Muscatell, K. A. (2023). The roles of inflammation, affect, and interoception in predicting social perception. *Brain Behav Immun*, 112, 246–253. CRediT: Conceptualization, Methodology, Investigation, Formal analysis, Writing - Original Draft.

9. Lin, L., **Feldman, M. J.**, Tudder, A., Gresham, A. M., Peters, B. J., & Dodell-Feder, D. (2023). Friends in sync? Examining the relationship between the degree of nonverbal synchrony, friendship satisfaction and support. *J. Nonverbal Behav.*, 47(3), 361–384. CRediT: Conceptualization, Formal analysis, Data Curation, Writing - Review & Editing.

7. **Feldman, M. J.**, MacCormack, J. K., Bonar, A. S., & Lindquist, K. A. (2023). Interoceptive ability moderates the effect of physiological reactivity on social judgment. *Emotion* (Washington, D.C.), 23(8), 2231–2242. CRediT: Formal analysis, visualization, writing-original draft.

6. **Feldman, M. J.**, Siegel, E., Barrett, L. F., Quigley, K. S., & Wormwood, J. B. (2022). Affect and Social Judgment: The Roles of Physiological Reactivity and Interoceptive Sensitivity. *Affective science*, 3(2), 464–479. CRediT: Conceptualization, Data Curation, Formal Analysis, Writing-Original Draft.

5. Jolink, T. A., Fendinger, N. J., Alvarez, G. M., **Feldman, M. J.**, Gaudier-Diaz, M. M., & Muscatell, K. A. (2022). Inflammatory reactivity to the influenza vaccine is associated with changes in automatic social behavior. *Brain Behav Immun*, 99, 339–349. CRediT: Project Administration, Investigation, Writing-Review & Editing.

4. Martinez, J. E., Feldman, L. A., **Feldman, M. J.**, & Cikara, M. (2021). Narratives Shape Cognitive Representations of Immigrants and Immigration-Policy Preferences. *Psych science*, 32(2), 135–152. CRediT: Project Administration, Investigation, Data Curation, Writing-Original Draft.

3. Hoemann, K\*, Khan, Z\*, **Feldman, M. J.**, Nielson, C., Devlin, M., Dy, J., Barrett, L. F., Wormwood, J. B., & Quigley, K. S. (2020). Context-aware experience sampling reveals the scale of variation in affective experience. *Scientific reports*, 10(1), 12459. CRediT: Project Administration, Supervision, Investigation, Data Curation, Visualization, Writing-Original Draft.

2. Kleckner, I. R.\*, **Feldman, M. J.\***, Goodwin, M. S., & Quigley, K. S. (2021). Framework for selecting and benchmarking mobile devices in psychophysiological research. *Behav Res Methods*, 53(2), 518–535. CRediT: Conceptualization, Methodology, Writing-Original Draft.

1. Theriault, J. E., Coleman, **M., Feldman, M. J.**, Fridman, J. D., Sennesh, E., Barrett, L. F., & Quigley, K. S. (2020). Beginning with biology: "Aspects of cognition" exist in the service of the brain's overall function as a resource-regulator. *Behav Brain Sci*, 43, e26. CRediT: Conceptualization, Writing-Original Draft.

## Book Chapters

---

2. **Feldman, M. J.** Ma, R., & Lindquist, K. A. (2024). The role of interoception in emotion and social cognition. Chapter in *Interoception: A Comprehensive Guide*. Springer. CRediT: Conceptualization, Writing-Original Draft.

1. MacCormack, J. K., **Feldman, M. J.**, Bonar, A. S., & Lindquist, K. A. (2023). Aging Bodies, Brains, and Emotions: The Physiological Hypothesis of Emotional Aging. In U. Hess, R. B. Adams, Jr., & R. E. Kleck (Eds.), *Emotion Communication by the Aging Face and Body: A Multidisciplinary View* (pp. 54–82). chapter, Cambridge: Cambridge University Press. CRediT: Conceptualization, Writing-Original Draft.

## Manuscripts under Review

---

Bonar, A.S., Dai, J., **Feldman, M.J.**, Capella, J., Prinstein, M.J., Telzer, E.H., & Lindquist, K.A. (*under review*). Perceived neighborhood disadvantage predicts similarity in amygdala representations of negative and neutral images in early adolescents. CRediT: Data Curation, Writing - review and editing.

Deming, P., Khan, Z., Hoemann, K., Marino, L., Runyon, S.L., Kross, Z., Gao, Y., Cory, L., Nielsen, C., **Feldman, M.J.**, Devlin, M., Dy, J., Barrett, L.F., Wormwood, J.B., Quigley, K.S. (*under review*). Structured variation in daily life experience within and across individuals. CRediT: Project Administration, Supervision, Investigation, Data Curation, Writing - review and editing.

**Feldman, M.J.**, Steinley, D., Bauer, D.J. (*under revision*). Testing dyadic similarity in social networks: A multiple membership modeling approach. CRediT: Conceptualization; Methodology; Data curation, Software; Formal analysis; Writing - original draft, Visualization.

Ma, R., **Feldman, M. J.**, Bonar, A. S., Frye, N. G., Imamoglu, A., Giovanello, K. S., & Lindquist, K. A. (*under review*). Interoceptive accuracy, metacognition, and interpersonal trust perception across the adult lifespan. CRediT: Conceptualization; Project administration; Investigation; Data curation; Writing - review & editing.

Capella, J., Field N., Jorgensen, N., **Feldman, M. J.**, Bonar, A., Prinstein, M., Lindquist, K., Telzer, E.H. (*under review*) Longitudinal relations between adolescents' friendships and neural sensitivity to social rewards. CRediT: Methodology; Data curation; Writing – review & editing.

## Manuscripts in Preparation

---

**Feldman, M.J.**, Luo, J., Steele, C., Bonar, A., Tuck, A., Thompson, R., Lindquist, K., Inagaki, T. (*in prep*). Social connection predicts higher emotional clarity: Evidence from an experience sampling study. STATUS: drafting.

**Feldman, M. J.**, MacCormack, J. K., Lindquist, K.A. (*in prep*). Using representational similarity analysis with a property association task to model the structure of negative emotion concept knowledge. STATUS: drafting

Capella, J., Jorgensen, N., **Feldman, M. J.**, Bonar, A., Field N., Prinstein, M., Lindquist, K., Telzer, E.H. (*in prep*) Friendship dynamics and neural sensitivity to threats and rewards: Interactive impacts on adolescent loneliness. STATUS: drafting

## Popular Science Writing

---

**Feldman, M. J.**, Lindquist, K. A (2021) What makes a woman's body. Commissioned piece in Aeon Magazine. [\[LINK\]](#)

## FIRST AUTHORED TALKS AND PRESENTATIONS (PEER REVIEWED)

\*Represents shared first authorship

**Feldman, M.J.**, Berman, C., Bonar, A., Buheis, D., Celemen, D., MacCormack, J., Lindquist, K. (2026) The influence of Interoception and affect on social judgments under fasting conditions. Poster accepted at the Society for Affective Science annual convention, Pittsburgh, Pennsylvania.

**Feldman, M. J.**, Antenucci, N., Jolink, T., West, T., Cardenas, M., Alvarez, A., Muscatell, K. (2026). Biology of Bias: Inflammation and Trustworthiness Judgments of Racial Out-Groups. Symposium talk accepted at the Society for Personality and Social Psychology annual convention, Chicago, Illinois..

**Feldman, M.J.**, Lindquist, K.A., (2024) Influence of hunger and interoception on social perception and behavior. Invited poster accepted to the American Psychological Association annual convention, Seattle, Washington.

**Feldman, M.J.**, Bonar, A.B., Alvarez, G., Lindquist, K.A. (2024) The Physiological Hypothesis of Emotional Aging. Symposium talk (co-chaired) presented at the Society for Biopsychosocial Science and Medicine Annual convention, Brighton, United Kingdom.

**Feldman, M.J.**, MacCormack, J., Lindquist, K.A. (2024) Probing emotional expertise using representational similarity analysis. Symposium talk presented at the Society for Affective Science, New Orleans, Louisiana.

**Feldman, M. J.**, Antenucci, N., West, T., Lindquist, K., Muscatell, K. (2023). The body and affect: Influences on intergroup social judgments. Poster presented at the 2023 Princeton Affective Science Summit.

**Feldman, M. J.**, Capella, J., Bonar, A., Dai, J., Field, N., Lewis, K., Prinstein, M., Telzer, E., Lindquist, K (2023). Neural Similarity During Experiences of Emotion Predicts Proximity Within Adolescent Peer Networks. Flash talk presented at the 2023 Society for Affective Science Conference.

**Feldman, M.J.\***, Alvarez, G.M\*, Jolink, T.A., West, T.N, Cardenas, M.N, Muscatell, K. (2023). Increases in IL-6 in response to the influenza vaccine predict decrements in response inhibition. Flash talk presented at the 2023 Association for Psychosomatic Science Conference, San Juan, Puerto Rico.

**Feldman, M.J.**, Patel, U., MacCormack, J.K., Bonar, A.S., Lindquist, K.A. (2022). Cardiac interoceptive ability moderates the effect of SNS but not PNS reactivity on social judgment during stress. Poster submitted to the Society for Research in Psychophysiology Annual Meeting, Vancouver.

**Feldman, M.J.**, Bonar, A.S., Frye, N., İmamoğlu, A., MacCormack, J.K., Giovanello, K., Lindquist, K.A. (2022, June). The Physiological Hypotheses of Emotional Aging: Introduction and implications for Alzheimer's Disease. Poster accepted at the 2022 Symposium for Learning about Alzheimer's Disease-Related Medical research at Duke and UNC (SLAM-DUNC) in Durham, NC.

**Feldman, M.J.**, Lindquist, K.A. (2022, March). An Ontology for Interoceptive Science. Poster accepted at the 2022 Society for Affective Science Interoception Pre-Conference.

**Feldman, M.J.**, MacCormack, J.K., Bonar, A.S., Lindquist, K.A. (2022, March). Interoceptive ability moderates the effect of physiological reactivity on social judgment. Poster accepted at the 2022 Society for Affective Science Annual Conference.

**Feldman, M. J.**, Jolink, T. A., Fendinger, N. J., Alvarez G. MGAudier-Diaz, M. M., Lindquist, K. A., Muscatell, K. A. (2021, November). Interoception moderates the effect of inflammation and affect on social judgment. Poster presented at the 2021 Trends in Psychology Summit. Boston, Massachusetts.

**Feldman, M. J.** (2021, August). Unpacking the role of synchrony in relationships. Invited talk presented at The Love Consortium 2021 Love Conference.

**Feldman, M.J.**, Luo, J., MacCormack J. K., Bonar, A. S., Lindquist, K. A. (2021, April). Feeling ourselves: An exploration of gender and interoception. Flash talk presented at the 2021 Society for Affective Science Eighth Annual Conference.

**Feldman, M.J.**, MacCormack, J.K., Lindquist, K.A. (2020, April) The Power of Prediction: Body-beliefs matter above and beyond physiological reactivity and interoceptive ability in predicting affect during acute stress. Poster presented at the 2020 Society for Affective Science Seventh Annual Conference.

**Feldman, M.J.**, Wormwood, J.B., Siegel, E., Quigley, K., Barrett, L.F. (2019, March) Body Check: The Role of Peripheral Physiology in Affective Realism. Poster presented at the Society for Affective Science Sixth Annual Conference, Boston, MA.

**Feldman, M.**, Wormwood, J.B., Siegel, E., Quigley, K., Barrett, L.F. (2019, February) Exploring the Relationship Between Body and Mind in Affective Responding. Poster accepted to the 2019 Society for Personality and Social Psychology Convention, Portland, OR.

Devlin, M.\* **Feldman, M.J.\***, Khan, Z., Nielson, C., Hoemann, K., Dy, J., Wormwood, J.B., Barrett, L.F., Quigley, K.S. (2018, June) Using Novel Ambulatory Paradigms to Predict Perseverance in Problem Solving. Poster presented at the 2018 Society for Ambulatory Assessment, Syracuse, NY.

**Feldman, M. J.**, Wormwood, J. B., Khan, Z., Siegel, E., Lynn, S. K., Barrett, L. F., Dy, J., Quigley, K. (2018, April) Let's start at the very beginning: Data-Driven Indices of Physiological Responding Under Stress. Flash talk given at the Society for Affective Science Fifth Annual Conference, Los Angeles, CA.

## TEACHING EXPERIENCE

---

Spring 2024	Guest Lecturer, Social Psychology ( <i>Research Methods</i> )
Fall 2022	Instructor of Record, Social Psychology, UNC-CH <i>Awarded teaching commendation (mean student evaluation = 4.90/5.00)</i>
Spring 2022	Tar Heels in Social Psychology Invoking Teaching Science Summer Institute
Spring 2022	TA, Social Psychology, UNC-CH
Fall 2021	Guest Lecturer, Intro to Neuroscience UNC-CH ( <i>neuroscience of emotion</i> )
Fall 2020	TA, Psychology 101, UNC-CH (Guest lectured on <i>stereotyping and bias</i> )
Spring 2019	TA, Social Psychology, UNC-CH ( Guest lectured on <i>emotion</i> )
Fall 2019	TA, Psychology 101, UNC-CH ( Guest lectured on <i>interoception</i> )
Spring 2016	TA, The Past is Never Dead, Suffolk University in partnership with Beyond Conflict

## MENTORING EXPERIENCE

---

### Mentoring Events

---

2026	Led 1-hour mentoring session on family planning and pregnancy during graduate school at the SPSP 2026 convention.
------	---

### Undergraduate Thesis Advisor

---

Fall 2024 - Spring 2025	<b>Grace Chow, University of North Carolina at Chapel Hill</b> Thesis: <i>Linguistic measures of connection following inflammatory challenge</i>
Fall 2024 - Spring 2025	<b>Mariam Wahba, University of North Carolina at Chapel Hill</b> Thesis: <i>Multiculturalism, Creativity, and Emotion Regulation</i> - Granted highest honors, recipient of Dashiell-Thurstone Prize

Fall 2023 -  
Spring 2024

**Carson St. Denis, University of North Carolina at Chapel Hill**

Thesis: *Exploring Emotional Clarity using Representational Similarity Analysis*

Fall 2020 -  
Spring 2021

**Jingyi Luo, University of North Carolina at Chapel Hill**

Thesis: *Investigating the Relationship Between Gender, Interoception, and Body Beliefs* - Granted highest honors

## Primary Mentor for Undergraduate Posters

• Primary Mentee

• Chow, G.M., **Feldman, M.J.**, Jolink, T.A., West, T.N., Antenucci, N., Cardenas, M., Nakamura, Z., Muscatell, K.A. (2025, March). The effect of inflammation, social target, and interoceptive abilities on self-other overlap. Peer reviewed poster presented at the 2025 Society for Affective Science (SAS) Annual Conference, Portland, OR

• Wahba, M. E., **Feldman, M. J.**, Lindquist, K. A., Buzinski, S. G. (2025, March). Navigating Cultures: How Multiculturalism Shapes Creativity and Emotion Regulation. Peer reviewed poster presented at the 2025 Society for Affective Science (SAS) Annual Conference, Portland, OR

• Goode, S., **Feldman, M.**, Berman, C., Bonar, A., Lindquist, K. (2025, March). The role of uncertainty in anxiety impacting interoceptive ability. Peer reviewed poster presented at the 2025 Society for Affective Science (SAS) Annual Conference, Portland, OR

• Esterov, E. S., **Feldman, M.J.**, (2025, March). Investigating alopecia and depression: the role of pro-inflammatory cytokines, cortisol, and psychosocial factors. Peer reviewed poster presented at the 2025 Society for Affective Science (SAS) Annual Conference, Portland, OR

• Wahba, M. E., **Feldman, M. J.**, Lindquist, K. A., Buzinski, S. G. (2025, February). The Influence of Identity on Creativity: Exploring Cognitive Flexibility and Problem-Solving in Multicultural Individuals. Peer reviewed poster presented at the 2025 Society for Personality and Social Psychology (SPSP) Annual Conference, Denver, CO

• Foglesong, M.L, Berman, C.J., **Feldman, M.J.**, Bonar, A.S., Lindquist, K.A. (2024). Interoceptive ability: A potential moderator in the relationship between childhood food environments and adults' current appetitive behaviors. Peer reviewed poster presented at the 2024 Society for Affective Science Conference.

• Lin, Y., **Feldman, M.J.**, Frye, N., Prinstein, M., Telzer, E., Lindquist, K.A. (2024). The Impact of AIN Global Efficiency and Alexithymia on Emotional Reactivity. Peer reviewed poster presented at the 2024 Society for Affective Science Conference.

• Kitchens, E., Berman, C.J., **Feldman, M.**, Lindquist, K. (2023). The Influence of Health Behaviors and Interoceptive Ability on Experiences of Positivity Resonance. Peer reviewed poster presented at the 2023 Society for Affective Science Conference.

• Gogineni, S., **Feldman, M.J.**, Lindquist K. (2023). Effects of acute and phasic affect on social judgment. Peer reviewed poster presented at the 2023 Society for Affective Science Conference

• Drummond, T., Bonar, A., **Feldman, M.J.**, Capella, J., Nick, E., Prinstein, M., Telzer, E., Lindquist K. (2022). Exploring the relationship between emotional reactivity and social network centrality during adolescence. Peer reviewed poster accepted at the 2022 Society for Affective Science Conference.

• Gogineni, S., **Feldman, M.J.**, Lindquist K. (2022). Affect and Social Judgment. Peer reviewed poster presented at the 2022 Society for Affective Science Conference.

• Mani, A., Bonar, A., **Feldman, M.J.**, Lindquist K. (2022). Determining the influence of everyday instances of discrimination on emotion regulation strategies. Peer reviewed poster accepted presented at the 2022 Society for Affective Science Conference.

'Luo, J., **Feldman, M.J.**, Bonar, A. S., Inagaki, T. K., Lindquist, K. A. (2021, February). Negative attitudes about the body contribute to women's difficulty perceiving bodily states. Peer reviewed poster presented at the 2021 Society for Personality and Social Psychology Convention.

'Chakraborty, J., 'Patel, U., **Feldman, M.J.**, Lindquist, K.A., Muscatell, K. A (2021, February). The positive relationship between emotional reactivity and loneliness becomes weaker as one grows older. Peer reviewed poster presented at the 2021 Society for Personality and Social Psychology Convention.

'Garber, B., 'Echeveste, M., 'Meydan, A., **Feldman, M.J.**, Devlin, M., Barrett, L.F., Quigley, K (2019, April) Can You Pass a Self Report: Validity of the ASI-3 Compared to Experience Sampling Data. Poster presented at the Northeastern University Research, Innovation, and Scholarship Expo (RISE), Boston, MA.

'Gupta, K., 'Christodoulou, N., 'Nathan, L., **Feldman, M. J.**, Coleman, M., Quigley, K., Barrett, L.F. (2019, April) Stressed About Stress: Exploring Variations in Organic vs. In-Lab Stress. Poster presented at the Northeastern University Research, Innovation, and Scholarship Expo (RISE), Boston, MA.

'Rocklin, M., 'Tran, T., 'Robie, M., 'Bouchard, T., 'Tam, A., **Feldman, M.J.**, Nielsen, C., Barrett, L.F., Quigley, K (2019, April) Examining the Predictive Ability of End-Of-Day Recall Ratings for Valence and Arousal from In-the-Moment Affective Experience Sampling. Poster presented at the Northeastern University Research, Innovation, and Scholarship Expo (RISE), Boston, MA.

'Campbell, D., 'Rentrup, K., 'Yuen, A., Barrett, L.F., Quigley, K., **Feldman, M.J.**, Wormwood, J. B., (April, 2018) The Relationship Between Negative Emotional Granularity and Stress on Decision Making. Poster presented at the Northeastern University Research, Innovation, and Scholarship Expo (RISE), Boston, MA.

## ACADEMIC SERVICE

---

### Service activities

2022	APS Abstract Reviewer for 2022 Annual Convention
2021	Student-Faculty Liaison - Social Psychology, UNC-CH
2021	APS Abstract Reviewer for 2021 Annual Convention
2020 - 2022	Member of the Hour of Action Planning Committee, UNC-CH
2020 - 2023	Member of Diversity, Equity, & Inclusion Subcommittee on Teaching, UNC-CH
2020 - 2023	Member of Diversity, Equity & Inclusion Subcommittee on Education, UNC-CH
2020	APS Abstract Reviewer for 2020 Annual Convention
2019, 2023	Psychology & Neuroscience Program Assessment, UNC-CH

### Ad Hoc Reviewer

Brain, Behavior, and Immunity; Philosophical Transactions B; Social Cognition; Nature Scientific Reports, Emotion; Affective Science; Motivation and Emotion; Cogent Psychology; Journal of Neuroscience; Frontiers in Psychiatry; [Peer Community In](#), PLOS ONE, Neuropsychobiology, Current Psychology, Journal of Experimental Social Psychology

### Science Outreach

2023	Summer Research mentor for Women-identifying and Nonbinary high school students (WinSPIRE)
2021, 2022	Guest lecturer on "The Body in Balance" & competition judge for Triangle Brain Bee
2021	STEMville Science Symposium, Volunteer speaker
2020 - pres	Skype a Scientist, Volunteer speaker (present 2-4 times/semester)
2020, 2021	Curriculum builder in collaboration with local K-5/middle school teachers; NC SciREN
2020 - pres	Project Short Mentor for prospective grad students contributing to diversity in STEM
